

## GRENADA

STATUTORY RULES AND ORDERS NO. 58 OF 2020

WHEREAS IN THE OPINION OF THE MINISTER THERE IS THE IMMINENT THREAT OF THE COMMUNITY SPREAD OF COVID-19 AS A RESULT OF THE NUMEROUS CASES PRESENT IN COUNTRIES NEIGHBOURING GRENADA;

AND WHEREAS IT IS NECESSARY TO PREVENT THE SPREAD OF COVID-19 FROM PERSONS ARRIVING AT ANY PORT BY LAND OR WATER;

NOW THEREFORE THE MINISTER IN EXERCISE OF THE POWERS CONFERRED ON HIM BY SECTION 4 OF THE QUARANTINE ACT, CHAPTER 271 HEREBY MAKES THE FOLLOWING REGULATIONS—

(Gazetted 16th September, 2020).

**1. Citation.** These Regulations may be cited as the

QUARANTINE (COVID-19) REGULATIONS, 2020.

**2. Definitions.** In these Regulations—

“business day” excludes Saturdays, Sundays and bank holidays;

“CARICOM Bubble State” means a CARICOM State classified under Schedule I;

“COVID-19” means the Novel Coronavirus (2019-nCov), which is an infectious disease caused by a virus which, having emerged during 2019, was declared a global pandemic by the World Health Organisation on the 11th March, 2020;

“geofencing watch” means a device which uses GPS technology to trigger a pre-programmed action when the person wearing the device enters or exits a virtual boundary set up around a geographical location, as approved by the Minister of Health;

“government-approved place of observation and isolation” includes a hotel approved by the Ministry of Health;

---

“Health Officer” means the appropriate officer appointed as such under section 3 of the Act;

“high-risk State” means a State that has reported not less than sixty (60) COVID-19 cases per one hundred thousand (100,000) people of its population within the last 14 calendar days;

“isolation” means the removal to a hospital or other suitable place approved by a Health Officer of a person suffering, or suspected to be suffering, from COVID-19, and his or her detention therein, until, in the opinion of a Health Officer he or she is free from infection;

“low-risk State” means a State that has reported less than twenty (20) COVID-19 cases per one hundred thousand (100,000) of its population within the last 14 calendar days;

“medium-risk State” means a State that has reported not less than twenty (20) but less than sixty (60) COVID-19 cases per one hundred thousand (100,000) of its population within the last 14 calendar days;

“observation” means the detention under medical supervision of persons in such places and for such periods as may be directed by a Health Officer;

“prescribed period” means a period prescribed under regulation 10;

“prescribed test” means a test conducted to diagnose whether a person is infected with SARS-CoV-2 or COVID-19 as prescribed under regulation 10;

“SARS-CoV-2” means severe acute respiratory syndrome coronavirus 2;

“State of origin” means the State, country or territory in which a person has entered within the last 21 calendar days, including having been only in transit, whether or not the person had subsequently entered another State, country or territory.

**3. Application.**—(1) Regulations 6 (1), 7 (1) and 8 (1) shall not apply to children two years and under.

(2) Regulations 7 (3) and 8 (3) shall not apply to children six years and under.

---

**4. Application of Quarantine (Air) Regulations and Quarantine (Maritime) Regulations.** For the avoidance of doubt, the Quarantine (Air) Regulations and the Quarantine (Maritime) Regulations shall apply to the extent that those regulations do not conflict with these Regulations.

**5. Forms to be completed.**—(1) No person shall be admitted into Grenada unless he or she discloses every State of origin and completes and executes the following forms upon his or her arrival—

- (a) a health declaration form as set out under Schedule II;
- (b) a waiver of liability agreement form as set out under Schedule III; and
- (c) a public health locator form as set out under Schedule IV.

(2) For the purposes of subregulation (1), if any person makes any false statement or withholds any material information, he or she shall be guilty of an offence against these Regulations.

**6. Procedure for low-risk States of origin.**—(1) Where a person has only low-risk States as States of origin he or she shall not be admitted into Grenada, unless—

- (a) he or she has subjected himself or herself to a prescribed test within the prescribed period before arriving in Grenada; and
- (b) the result of the test is negative.

(2) The requirements under subregulation (1) do not apply to persons who have only CARICOM Bubble States as States of origin

**7. Procedure for medium-risk States of origin.**—(1) Where a person has as a State of origin a medium-risk State but no high-risk States, he or she shall not be admitted into Grenada, unless—

- (a) he or she has subjected himself or herself to a prescribed test within the prescribed period before arriving in Grenada;
- (b) the result of the test is negative; and
- (c) he or she undertakes to—
  - (i) install on his or her mobile device the Government of Grenada contact-tracing application;

- 
- (ii) subject himself or herself to mandatory observation and isolation for a minimum prescribed period; and
  - (iii) remain in a government-approved place of observation and isolation for a prescribed period being a portion of the period of mandatory observation and isolation under subparagraph (ii).

(2) Upon the expiration of the prescribed period under subregulation (1) (c) (iii), a person referred to in subregulation (1) may be released from the government-approved place of observation and isolation to—

- (a) a government-approved place of residence at his or her expense that is suitable for adequate accommodation and separation from other persons; or
- (b) subject to subregulation (3), self-isolation at his or her place of residence if it is suitable for adequate accommodation and separation from other persons, or at a government-approved hotel at his or her expense,

where he or she shall remain for the remainder of the period of mandatory observation and isolation under subregulation (1) (c) (ii).

(3) A person shall not be permitted to self-isolate for the purposes of subregulation (2) (b) unless he or she undertakes to—

- (a) wear on his or her person a geofencing watch during the period of self-isolation; and
- (b) bear the cost of the geofencing watch of twenty-five dollars per person per day.

(4) A person shall not be released from observation and isolation or self-isolation as the case may be, unless he or she first subjects himself or herself to a prescribed test.

(5) Where the result of a test under subregulation (4) is negative, the person shall be released from observation and isolation or self-isolation as the case may be, and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

---

(6) Where the result of a test under subregulation (4) is positive, the person shall—

- (a) remain in a government-approved place of observation and isolation for a minimum prescribed period at his or her expense; and
- (b) subject himself or herself to a prescribed test at his or her expense.

(7) Where the result of a test under subregulation (6) (b) is negative, the person shall be released from observation and isolation and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

(8) Where the result of a test under subregulation (6) (b) is positive, until a Health Officer determines that the person is free from infection with SARS-CoV-2 or COVID-19—

- (a) the person shall submit himself or herself to a place of observation and isolation at his or her expense; and
- (b) a new prescribed test shall be conducted at the person's expense at least once in every period of seven calendar days.

(9) Upon a determination by a Health Officer under subregulation (8), the person shall be released from observation and isolation and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

**8. Procedure for high-risk States of origin.**—(1) Where a person has a high-risk State as a State of origin, he or she shall not be admitted into Grenada, unless—

- (a) he or she has subjected himself or herself to a prescribed test within the prescribed period before arriving in Grenada;
- (b) the result of the test is negative; and
- (c) he or she undertakes to—
  - (i) install on his or her mobile device the Government of Grenada contact-tracing application;

- 
- (ii) subject himself or herself to mandatory observation and isolation for a minimum prescribed period; and
  - (iii) remain in a government-approved place of observation and isolation for a prescribed period being a portion of the period of mandatory observation and isolation under subparagraph (ii).

(2) Upon the expiration of the prescribed period under subregulation (1) (c) (iii), a person referred to in subregulation (1) may be released from the government-approved place of observation and isolation to—

- (a) a government-approved place of residence at his or her expense that is suitable for adequate accommodation and separation from other persons; or
- (b) subject to subregulation (3), self-isolation at his or her place of residence, if it is suitable for adequate accommodation and separation from other persons, or at a government-approved hotel at his or her expense,

where he or she shall remain for the remainder of the period of mandatory observation and isolation under subregulation (1) (c) (ii).

(3) A person shall not be permitted to self-isolate for the purposes of subregulation (2) (b) unless he or she undertakes to—

- (a) wear on his or her person a geofencing watch during the period of self-isolation; and
- (b) bear the cost of the geofencing watch of twenty-five dollars per person per day.

(4) A person shall not be released from observation and isolation or self-isolation as the case may be, unless he or she first subjects himself or herself to a prescribed test.

(5) Where the result of a test under subregulation (4) is negative, the person shall be released from observation and isolation or self-isolation as the case may be, and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

---

(6) Where the result of a test under subregulation (4) is positive, the person shall—

- (a) submit himself or herself to a government-approved place of observation and isolation for a minimum prescribed period at his or her expense; and
- (b) subject himself or herself to a prescribed test at his or her expense.

(7) Where the result of a test under subregulation (6) (b) is negative, the person shall be released from observation and isolation and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

(8) Where the result of a test under subregulation (6) (b) is positive, until a Health Officer determines that the person is free from infection with SARS-CoV-2 or COVID-19—

- (a) the person shall submit himself or herself to a place of observation and isolation at his or her expense; and
- (b) a new prescribed test shall be conducted at the person's expense at least once in every period of seven calendar days.

(9) Upon a determination by a Health Officer under subregulation (8), the person shall be released from observation and isolation and permitted to integrate with the public in accordance with the enactments and protocols of general application within Grenada.

**9. Offences.**—(1) A person who contravenes or fails to comply with these Regulations shall be guilty of an offence against these Regulations.

(2) A person who is guilty of an offence under subsection (1) shall be liable, on summary conviction, to a fine not exceeding ten thousand dollars.

**10. Power to prescribe tests and periods under these Regulations.** The Minister may, by Order published in the *Gazette*, prescribe the tests and time periods to be prescribed under these Regulations and such an Order shall have force and effect without confirmation by resolution of the House of Representatives.

**11. Power to amend the Schedules.** The Minister may, by Order published in the *Gazette*, amend any schedule to these Regulations and such an Order shall have force and effect without confirmation by resolution of the House of Representatives.

### SCHEDULE III WAIVER OF LIABILITY AGREEMENT FORM

(regulation 5)

#### COVID-19 WAIVER OF LIABILITY AGREEMENT

**RELEASE AND WAIVER.** In consideration of my providing services to the Government of Grenada which involves the transportation of visitors and other persons who have travelled to Grenada from other countries on or after the 15<sup>th</sup> day of July 2020 (the "Services"), I do hereby agree to **RELEASE, WAIVE, INDEMNIFY, DEFEND, AND HOLD HARMLESS** the Government of Grenada and its past, current, and future officers, directors, employees, volunteers, contractors, representatives, affiliates, agents, successors, and assigns (collectively, "the Government") from any and all damages, injuries, losses, liability, claims, causes of action, litigation, or demands, including but not limited to those for personal injury, sickness, or death, as well as property damages and expenses, of any nature whatsoever which may be incurred, directly or indirectly, now or in the future, in any way related to COVID-19 and in connection with my provision of the Services.

**ASSUMPTION OF RISKS.** I understand that the Government is not responsible in any manner for any risks related to COVID-19 in connection with the Services that I provide. I understand that the World Health Organization has classified the COVID-19 outbreak as a pandemic. I further understand that COVID-19 is a highly contagious and dangerous disease, and that contact with the virus that causes COVID-19 may result in significant personal injury or death. I am fully aware that participation in the Services carries with it certain inherent risks related to COVID-19 transmission that cannot be eliminated regardless of the care taken to avoid such risks. Such inherent risks may include, but are not limited to, (1) the risk of coming into close contact with individuals or objects that may be carrying COVID-19; (2) the risk of transmitting or contracting COVID-19, directly or indirectly, to or from other

individuals; and (3) injuries and complications ranging in severity from minor to catastrophic, including death, resulting directly or indirectly from COVID-19 or the treatment thereof. Further, I understand that the risks of COVID-19 are not fully understood, and that contact with, or transmission of, COVID-19 may result in risks including but not limited to loss, personal injury, sickness, death, damage, and expense, the exact nature of which are not currently ascertainable, and all of which are to be considered Inherent Risks. I hereby voluntarily accept and assume all risk of loss, personal injury, sickness, death, damage, and expense arising from such inherent risks.

**I have read and understood this Agreement and enter into it voluntarily in consideration of the opportunity to provide the Services. I acknowledge I am foregoing legal rights and/or remedies which may be available to me.**
