

NATIONAL WATER AND SEWERAGE AUTHORITY (AMENDMENT) BILL, 2025

EXPLANATORY NOTES

This Bill seeks to amend the National Water Sewerage Authority Act Chapter 208 and contains 20 clauses.

Clause 1 provides for the short title and commencement and for the Minister to bring the Bill into force by Order published in the *Gazette*.

Clause 2 amends section 2 of the principal Act by repealing and replacing some terms used throughout the Act, namely “watercourse”, “waterworks” and inserts new terms such as “Commission”, “water supply service”, “Unit” and “sewerage service”.

Clause 3 inserts a new provision 2A to declare the Authority a public utility under the Public Utilities Regulatory Commission Act and for the cessation of the Authority’s function relating to the management of water resources.

Clause 4 repeals and replaces section 3 of the principal Act which mandates the Government to promote a national policy for water supply sewerage supplies and sewerage services in Grenada.

Clause 5 repeals and replaces section 6 of the principal Act, which addresses the revised functions of the Authority so that it relates to the provision of potable water and sewerage services. The Authority is required to prepare and submit estimates of the future water supply services and sewerage disposal to the Commission.

Clause 6 amends section 7 (1) of the principal Act to mandate the Authority to provide to the public a satisfactory supply of potable water for domestic purposes and a satisfactory supply of water for agricultural, industrial and commercial purposes.

Clause 7 repeals and replaces section 11 of the principal Act by saving all existing rights of the Authority to use, abstract, manage and control the flow of water upon the terms of their grant or other lawful authority under which they are held. The provision also empowers the Unit and the Authority to enter into a service agreement. If any dispute arises concerning the terms of the service agreement the Commission shall seek to resolve the dispute.

Clause 8 repeals section 12 of the principal Act.

Clause 9 repeals section 13 of the principal Act.

Clause 10 amends section 17 of the principal Act to empower the Authority after consultation with the Unit to take steps or carry out works to protect its water supply services or sewerage services after the Authority gives notice to the owner of the land.

Clause 11 amends section 23 of the principal Act.

Clause 12 amends section 27 of the principal Act to mandate the Authority to make recommendations to the Commission to establish water supply and sewerage areas by reference to defined limits or some other specific description. In cases where it is proposed to establish those areas, the Commission must publish them in the *Gazette*.

Clause 13 repeals and replaces section 27A of the principal Act by empowering the Authority subject to the Public Utilities Commission Act to levy and collect charges or fees for providing water supply and sewerage services at rates approved by the Commission.

Clause 14 repeals section 28 of the principal Act.

Clause 15 amends section 30 of the principal Act.

Clause 16 amends section 34 of the principal Act deleting the word “Authority” in subsection (1) and replacing it with the word “Commission”.

Clause 17 repeals sections 36, 37, 38 and 39 of the principal Act (Catchment areas).

Clause 18 repeals sections 44, 45, 46, 47, 48, and 49 of the principal Act in keeping with the revised mandate of the Authority.

Clause 19 amends section 52 by deleting provisions which are inconsistent with the revised mandate of the Authority.

Clause 20 repeals section 54.
