

## RESPONSES IN BLUE

### Question No.1 - 4

1. What is the total amount spent to date on the completed *Build Back Better* houses?

Finance Department and/or Payments Secretariat to provide this information.

2. **Will** the Government provide a list of all contractors who were engaged in the *Build Back Better* programme, including their names, type of services provided and their addresses?

A total of 186 contractors were engaged in Build Back Better programme – see Appendix 1 overleaf for their names, profession and addresses.

3. How many houses under the *Build Back Better* programme were handed over to families by the end of July 2025? Please present numbers separately for Grenada, Carriacou and Petite Martinique.

By the end of July 2025, 64 projects had been finished and delivered to families on Mainland Grenada, consisting of 32 new builds and 32 repair projects.

4. In the 2024 Supplementary Budget, EC\$15 million was allocated to the Ministry of Implementation and Transformation (MIT) for the construction of 200 houses on mainland Grenada:

- a) How many of these houses have been handed over to families to date?

A total of 64 houses.

- b) What was the cost of those already delivered?

Delivered projects totaled \$4,145,335.38, covering supplementary services, electrical and plumbing work, painting, demolition, and infrastructure costs.

- c) Will the Government provide a list of the beneficiaries, including their names and addresses?

See Appendix 2 for the list of beneficiaries, including their names and addresses.
