PLANNING AND DEVELOPMENT AUTHORITY GRENADA

2016 - Physical Planning and Development
Control Act 23.

GENERAL DEVELOPMENT ORDER

FOR: THE MINISTRY OF INFRASTRUCTURE, PUBLIC UTILITIES' CIVIL AVIATION AND TRANSPORTATION, on behalf of the Gravel, Concrete and Emulsion Production Corporation (GCEPC).

Development: Construction and operation of a temporary rubble mound jetty at Telescope Quarry, St. Andrew, Grenada, at approximately 12.123764° N, 61.607005° W.

In pursuance of the PDA's powers under the above-mentioned Act: "18.— (1) The Authority may,

by an order (in this Act referred to as a "general development order, provide that the development of land of any class specified in the order is permitted and may be undertaken, either unconditionally or subject to any conditions or restrictions specified in the order, without the prior written permission of the Authority.

(2) A general development order may be revoked or varied by a subsequent general development order made by the Authority.

(3) A general development order made by the Authority shall be submitted to the Minister for approval, and upon approval, shall be published in the *Gazette* and come into effect from the date of such publication."

PERMITTED DEVELOPMENT

The Planning and Development Authority hereby issue this "general development order" giving permission for the construction, use and operation of a temporary rubble mound jetty at Telescope Quarry, St. Andrew, for the marine delivery and offloading of quarry/crusher equipment and associated temporary works, substantially in accordance with the drawings, design information and proposal submitted to the Authority from Mohan Mutha Infrastructures Pvt. Ltd.

CONDITIONS OF THIS DEVELOPMENT ORDER:—

1. Approved Design and Purpose

The jetty shall be constructed substantially

in accordance with the plans, drawings, dimensions, methodology and specifications submitted to and accepted by the Authority. The jetty shall be used only for the temporary purpose for which this Order is issued, unless the Authority gives prior written approval for any variation.

2. Alterations and Modifications to the Jetty

The developer shall notify the Planning and Development Authority in writing prior to undertaking any material alteration, modification, extension or change to the approved design, dimensions, alignment, construction methodology, materials or intended use of the jetty. No such alteration, modification, extension or change shall be undertaken without the prior written approval of the Authority.

3. Access for Monitoring and Inspection

The developer shall permit the Planning and Development Authority, its Compliance Officers, technical officers, consultants and any other persons authorised by the Authority reasonable and unrestricted access to the site and the jetty for monitoring and inspection during construction, commissioning, operation, decommissioning and restoration.

4. Construction and Operational Monitoring

The Authority shall be permitted to undertake periodic monitoring during both the construction and operational phases to determine whether the jetty is causing, or is likely to cause, adverse effects on the terrestrial, coastal or marine environment, including effects associated with erosion, sedimentation, turbidity, alteration of coastal processes, water quality, marine habitats, shoreline stability, drainage, waste, pollution or other environmental impacts.

5. Mitigation and Corrective Measures

Where the PDA through monitoring or inspection identifies an actual or potential adverse environmental effect, the Authority may issue written recommendations, directions or mitigation measures considered reasonably necessary to prevent, reduce, remedy or compensate for that effect. The developer shall implement such measures within the timeframe specified by the Authority and shall provide evidence of compliance when requested.

6. Prevention of Pollution and Environmental Damage

During construction and operation, all reasonable precautions shall be taken to prevent the discharge or deposit of fuel, oil, harmful sediment, waste or other pollutants into the

sea, watercourses or surrounding terrestrial environment. Construction materials shall be placed and managed so as to minimise unnecessary disturbance of the nearby seabed, shoreline and adjacent land.

7. Significant Adverse Effects

Where the Authority determines, based on monitoring, inspection or technical evidence, that the jetty is causing significant adverse effects to the terrestrial, coastal or marine environment that cannot be satisfactorily addressed through reasonable mitigation or corrective measures, the Authority may require the developer to cease or restrict the affected activity and, where necessary, to decommission and remove the jetty, in whole or in part.

8. Decommissioning and Environmental Restoration

Upon completion of the temporary purpose of the jetty, or where removal is required by the Authority under Condition 7, the developer shall decommission and remove the jetty and associated temporary works in a manner approved by the Authority. The affected terrestrial, coastal and marine environment shall, as far as reasonably practicable, be restored to its natural or pre-development condition. Any restoration measures required by the Authority shall be completed at the developer's cost.

9. Further Technical Information

The Authority may require the developer to submit additional technical information, surveys, photographs, monitoring records or specialist assessments where reasonably required to determine compliance with this Order or to evaluate environmental effects associated with the jetty.

10. Other Statutory Approvals

This General Development Order does not dispense with any licence, consent, permit or approval required under any other applicable law or by any other competent authority.

11. Compliance

Failure to comply with any condition of this Order may result in the Authority taking such enforcement or other action as is available to it under the Physical Planning and Development Control Act, 2016 and other applicable laws.

This General Development Order applies only to the temporary rubble mound jetty described herein and shall take effect in accordance with section 18 of the Physical Planning and Development Control Act,

2016, following the approvals and publication required by law.
